were true. For Tyndale setteth not so much by 8, 377/ 1
the bare knowledge and setteth all good works at 8, 416/ 35
And among them he setteth himself . . . saying of himself 8, 445/ 22
forceless and careless, and setteth not by sin, till 8, 487/ 19

God than, all the setting up of Bel and 8, 4/ 31

he meant therein the setting forth of some heresies 8, 143/ 20

thereby. More If the setting of the circumstance make 8, 164/ 35
by erroneous books, in setting forth Luther's pestilent heresies 8, 177/ 27
out of "grace" and setting in of "favor." And 8, 202/ 30
such changes for the setting forth of such things 8, 220/ 1
of the words with setting in the article, and 8, 236/ 34

by their filthy "wedding" showed themselves plain, open ribalds 8, 138/ 2
that they taught and showed , the very strait path 8, 142/ 9
of my Dialogue I showed that Tyndale's translation of 8, 144/ 11
burned . . . because it well showed in itself that he 8, 142/ 11
yet more. Now. showed as for example that 8, 143/ 7
such manner changes . . . and showed I there the causes 8, 143/ 17
that Tyndale hath here showed us, doth signify that 8, 145/ 15
don down; for I have showed him here the oldest 8, 150/ 26
our chamber -- yet showed he, for all that 8, 162/ 27
it shall soon be showed him that his consequent 8, 168/ 16
open poetry I have showed you some already, and 8, 176/ 8
rabble of heretics, and showed a shrewd sort that 8, 180/ 30
More Lo, Tyndale here showed himself that by this 8, 185/ 24
thereas the sentence well showed that it signified neither 8, 199/ 1
cause hath he now showed why he so should 8, 202/ 31
And hath he now showed you any cause at 8, 202/ 33
as I have plainly showed in shameless boasting, whereby 8, 206/ 26
would rather have sin showed in confession, where it 8, 206/ 28
and grow . . . than shamefastly showed also that the church 8, 225/ 5
devil. And therefore I showed in my said Dialogue 8, 225/ 28
Highness much more plainly showed in his most erudite 8, 225/ 29
Now that I have showed you somewhat of the 8, 232/ 23
and that I have showed you one example thereof 8, 232/ 27
is, as I have showed you, correspondent unto our 8, 233/ 11
the," whereof I have showed you before; wherein he 8, 235/ 21
-- when he had showed his apostles and others 8, 238/ 16
Thus have I clearly showed you that whereas Tyndale 8, 242/ 6
that truth shall be showed us . . . and that miracles 8, 243/ 21
it -- as he showed Moses what he would 8, 247/ 14
points; another, that they showed the people that the 8, 255/ 11
than as by miracles showed at other occasions beside 8, 255/ 21
hand. Here have I showed you an example of 8, 258/ 22
for Scripture, though Christ showed to the Jews as 8, 280/ 3
of aught to be showed more, save the resurrection 8, 281/ 23
of aught to be showed more, save the resurrection 8, 282/ 17
God hath revealed, and showed by writing before; except 8, 284/ 19
and his apostles have showed us that there is 8, 289/ 16
And that have they showed us not only by 8, 289/ 17
leave them to be showed and disclosed at such 8, 302/ 1
as I have often showed , mention is made of 8, 304/ 7
by his own example showed you! ), that thing is 8, 309/ 22
confute my Dialogue. I showed there in my Dialogue 8, 310/ 4
faith; as I have showed you examples and shall 8, 312/ 2

as he had before showed them, our Savior himself 8, 315/ 17

when he sent them, showed them; and yet he 8, 328/ 13

the thing done and showed , shall, by his Spirit 8, 336/ 29

shameless without any miracle showed to bid all the 8, 337/ 10

not that God hath showed him that all is 8, 338/ 15

not that God hath showed him that he would 8, 338/ 17

not that God hath showed him that he never 8, 348/ 12

and often before had showed you before, Tyndale was 8, 367/ 16

wherewith, as I have showed you before that the 8, 370/ 12

saith he, "we have showed unto Saint Augustine, then 8, 371/ 17

in my First Book showed you, many things against 8, 404/ 33

that I have already showed you . . . since he meaneth 8, 412/ 6

perceiveth of the goodness showed him that his father 8, 488/ 32

For whereas I there showed that the very books 8, 500/ 7

the thing were so showed unto my wit, I 8, 507/ 20

so sufficiently to be showed and taught as he 8, 508/ 27

say, in such wise showed , nor the wit in 8, 509/ 1

but comforted him and showed him things which before 8, 528/ 31

if his wit had showed him his fault . . . his 8, 535/ 18

hath, as I there showed , left out the chief 8, 561/ 16

as I have before showed you, that the elects 8, 564/ 23

bare signifier and a showed us which is; and 8, 572/ 28

also see that he therefor. And yet worse 8, 95/ 16

words. For here he showed himself a false liar 8, 7/ 35

writing and their living showed . For the captains be 8, 11/ 12

that God worketh and showed the world through the 8, 54/ 35

life. And when he showed that the bread is 8, 81/ 9

yet in some he showed his affection full well 8, 114/ 9

of him than he showed of himself in these 8, 117/ 5

words. For here he showed plainly that though to 8, 117/ 6

divers of these words, showed that the Latin text 8, 143/ 29

such wise as he showed both lack of learning 8, 144/ 8

of music . . . the Scripture showed it openly -- both 8, 162/ 8

confirmed with Scripture -- showed himself in few words 8, 167/ 34

For Saint Paul here showed that the cause why 8, 172/ 30

one piece, maketh us sure of the contrary. For 8, 548/ 6
of this church is sure, and cannot err in 8, 560/ 21
and be also very sure to repent, and then 8, 566/ 36
they may make themselves sure, you see well, that 8, 567/ 8

For I fear me surely that except folk begin 8, 2/ 8
of false lies. And surely Frith's prologue (if it 8, 8/ 16

the utmost signification thereof. Surely as lightsome as it 8, 80/ 14

cleanse the soul. And surely since experience teacheth us 8, 102/ 6
we had not so surely known it, nor had 8, 105/ 11
if he were not surely bound by his promise 8, 105/ 19
all those ceremonies mean. Surely there needeth no man 8, 111/ 3
is never the better"? surely because himself believeth that 8, 115/ 29
to say nay. And surely there was never sect 8, 119/ 10
not -- they be surely so sore infected that 8, 120/ 3

good Christian people. For surely , good reader, though men 8, 137/ 10
love lacking charity. For surely to win his conclusion 8, 137/ 19
of Tyndale's Testament. For surely first his false translation 8, 142/ 29

-- then is he surely much more apostolical than 8, 149/ 34
six, seven, eight? Nay, surely he will none of 8, 151/ 8
matter. For I say surely that he saith not 8, 151/ 37
there is no writing. Surely , if Tyndale tell me 8, 156/ 32
and sure -- and surely so have they great 8, 157/ 4
I do too. But surely whoso believe him with 8, 158/ 7
working of God. And surely if all the Service 8, 161/ 3
signified of itself. But surely the word "congregation" with 8, 165/ 8
I cannot say. But surely if I could spy

to tell me. But surely he hath spied none

God of amendment. But surely this is untrue. For

not of necessity; but surely these questions be to

and of necessity. But surely the false, subtle juggler

Christ -- I should surely love him again, and

the Gospel, he should surely prepare himself to the

Gospel at all; and surely no more he doth

let others judge . . . but surely otherwise than I would

was that word?; for surely that word "that" was

faith. For I dare surely say that if any

know him not very surely say that if any

may not consecrate. For surely , since God sent out

to stay the people? Surely meseemeth nay. For though

believeth . . . may be so surely engraved in man's heart

bare, simple signs. For surely to couple the sacrifice

shorer, lo, and very surely set, I assure you

than ye do. But surely if ye believed it

three halfpence? More Nay, surely that fire is not

have touched before. And surely through all his book

he concludeth it . . . shall surely ween it were a

smear them with butter? Surely the devil hath made

sacraments and all. And surely very sooth he saith

do to it! More Surely men setting no more

helped their obstinacy. But surely if the prelates had

ever watched him so surely that he could never

his reasons alone. But surely if Tyndale be no

fall, were forthwith so surely confirmed in grace that 8, 436/ 29
make us to perceive surely that Saint John did 8, 438/ 10
in his life. For surely after Tyndale's understanding of 8, 440/ 9
and killed it. And surely Tyndale readeth his riddle 8, 446/ 25
parts of Almaine so surely fixed and confirmed in 8, 448/ 19
opinion be they very surely . . . whereof, ye see well 8, 450/ 4
beforehand that would so surely trust upon his promise 8, 450/ 6
thereby that he may surely be much ashamed thereof 8, 459/ 21
certainty both -- so surely that it can never 8, 459/ 27
is plainly false. For surely the thin subtlety thereof 8, 459/ 36
wit, untruth and lies. Surely this is a marvelous 8, 463/ 36
not all one. But surely , concerning the belief of 8, 465/ 19
resist it . . . made Tyndale surely to know that he 8, 470/ 17
keep it still. And surely there is no doubt 8, 483/ 11
that faggot lieth so surely bound on his shoulder 8, 484/ 33
well save it. For surely this chapter is very 8, 497/ 21
the Scripture, nor very surely know which were the 8, 500/ 9
belief and credence necessarily, surely , and inevitable . . . but therefore 8, 507/ 28
that many which right surely believe the mercy of 8, 511/ 36
written for them. But surely if Tyndale tell us 8, 520/ 16
awake by himself. And surely he rather seemeth to 8, 520/ 32
did it therefor. For surely , as touching the withdrawing 8, 525/ 14
believe it well and surely trust thereto, lest for 8, 529/ 30
too much, too. But surely as for the lively 8, 534/ 32

faith whereby they feel surely that they shall be 8, 566/ 22

that sort much the surer. For they may do 8, 115/ 7
make it stand the surer , undershored and underpropped it 8, 282/ 1
should be never the surer . . . but that every eoward 8, 341/ 22
of those two were surer to send your souls 8, 374/ 4
was fain for the surest refuge to bless himself 8, 128/ 31
wecneth himself to sit surest in the chair of 8, 559/ 22
attaineth is then in surety of steadfast and imperishable 8, 205/ 12
a rule and a surety , as Tyndale doth, that 8, 217/ 16
And there is like surety and like certain knowledge 8, 225/ 12
then hath Tyndale no surety that every such thing 8, 310/ 32
put us not in surety and certainty of the 8, 376/ 6
or allow him the surety whereof might make me 8, 389/ 22
no man have any surety by that church of 8, 393/ 32
and left some such surety as may bring us 8, 396/ 16

this point take Tyndale's tale for a very false taught. For by Tyndale's tale, he that is elect

I say that his tale is to little purpose

Tyndale first met and talked together beyond the sea

when he stood and talked with her, when he

accounted it in common talking still of "faith" and

for such a prodigious talking for such a prodigious
so that he be talking, never care what, whereof 8, 136/1

word “doing” includeth teaching, talking, speaking, and all. As 8, 311/16

findeth it is to tame the flesh, and that 8, 60/2

the common fasts do tame the flesh together by 8, 62/35

as for abstinence to tame the flesh from intemperance 8, 63/36

serveth not only to tame the flesh . . . but for 8, 65/4

nothing but for to tame his flesh? Item: In 8, 66/4

could not be for to tame enough and yet the 8, 68/19

may thereby not only may be tame their flesh, but also 8, 68/32

they fast? For to tame their flesh, as Tyndale 8, 69/3

was nothing but to tame the flesh, that the 8, 70/11

faster was only to tame their flesh that they 8, 70/31

saith that they neither tame the flesh nor do 8, 158/32

since nothing can better which not only can 8, 159/26

tame their flesh the more to the intent to 8, 409/17

is there that better is for to tame our flesh against the 8, 409/17

cause to be for there no need of tameth the flesh than the 8, 159/16

none other but for taming of the flesh and 8, 60/31

devotion but only for taming of the flesh and 8, 62/3

fasting not only for taming of their flesh, when 8, 63/5

Ahab fasted not for taming of the flesh, as 8, 65/36

fast was not for taming of the flesh against 8, 66/25

not only for a taming of the flesh, but 8, 67/9

Nay, nor for the taming of the flesh, but 8, 67/26

truth that besides the taming of bodily lusts. For 8, 69/20

But of which church, trow ye? Truly not of 8, 416/26

for his tarrying and truanting by the way -- 8, 491/22

to be of a true, perfect faith, and his 8, 23/29
he houseled in so true, perfect faith, and so 8, 23/31

maintained and continued his true, Catholic faith, with the 8, 28/37

and confess the sacraments true . . . or finally (which he 8, 135 / 34
heresies to destroy the true faith of Christ and 8, 137 / 6
heresies and destroy the true faith -- why Tyndale 8, 138 / 3
for he saith never true. Tyndale Mark whether it 8, 138 / 7
whether it be not true in the highest degree 8, 138 / 9
-- he saith as true as the Gospel, but 8, 139 / 33
as well by the true sense of Scripture as 8, 140 / 14
boy believeth, and believeth true . . . that God hath promised 8, 147 / 34
but at church. As true preachers preached purely the 8, 151 / 32
a certain time, the true Christian people, fifteen hundred 8, 156 / 13
which he saith the true, pure preaching was used 8, 158 / 11
good reader: if the true preaching was left and 8, 158 / 15
nay but that the true faith went quite away 8, 158 / 17
ignorance of the true faith hail and halloo 8, 161 / 28
say, that this is true of the usual signification 8, 166 / 20
false and his antecedent ye see what a true translation Tyndale's is, and 8, 173 / 18
that I "say most true "; "or else, as wise 8, 175 / 11
that my lies were true -- yet if I 8, 175 / 18
write: if this be true , then the more cause 8, 177 / 10
this is, I say, true . . . all were it so 8, 185 / 29
Tyndale's false heresy were true , that Holy Orders were 8, 185 / 29
if he said therein true, he may tell us 8, 186 / 30
happeth him to say true indeed), that both presbyteros 8, 187 / 27
granted both twain for true : that is to wit 8, 196 / 22
also that it is true indeed, that for as 8, 196 / 26
granteth both to be true : I say that they 8, 196 / 34
which Tyndale granteth for true . Now, to that other 8, 198 / 3
not grant it for true also, I say that 8, 198 / 5
also granteth to be true . For then must he 8, 198 / 10
terms necessary for the true . But all this business 8, 198 / 13
yet it is not true knowledge of God's gifts 8, 204 / 17
how can it be true that Tyndale saith: that 8, 217 / 29
finally, if it be true that a man can 8, 218 / 4
then if this be true that Tyndale saith (that 8, 218 / 6
and such others is true therewith, as indeed it 8, 218 / 8
his heresies be the true , because I knew (as 8, 218 / 18
his heresies be the true faith, and that the 8, 220 / 35
go prove his lies true faith, then I stand 8, 221 / 24
For since it is true , and then come again 8, 221 / 26
wheresoever there were a true that by the light 8, 227 / 10
man. It is not true belief, and false opinions 8, 227 / 31
or admitteth it for true because man so saith 8, 228 / 15
Tyndale . . . but man is true . . . More Whereof serveth all 8, 228 / 16
heart that it is true because he believeth, testifieth 8, 228 / 20
this is not always true . More Nay, pardie, this 8, 228 / 21
true For Saint Peter himself 8, 228 / 23
Peter himself was not true when he testified and 8, 228/ 24 that God's word was true . . . and yet was himself true , but a false thief 8, 228/ 27 yet was himself not true , then were the doctrine true English, he must answer 8, 230/ 27 if he will answer true English, he must answer 8, 230/ 30 if he will answer true English, he may not 8, 231/ 4 if he will answer true one way or other 8, 231/ 10 would have him write true matter, I would have 8, 231/ 11 no means to write true English. But now to 8, 231/ 12 the leastwise write true Christian people, which by 8, 237/ 8 people, which by their true belief do set their 8, 237/ 9 thereto that God is true " And what is that 8, 240/ 8 such part as is true ? And thus appeareth it 8, 240/ 9 " it is not known to be true , if this be indeed true that God's word is true not, but is absolutely true and layeth therefor the true that, as Tyndale would true -- that if Christ 8, 241/ 10 true , in itself, without any true that Tyndale saith -- 8, 242/ 21 true because man so saith 8, 242/ 22 argument or consecution is true because God so saith 8, 242/ 23 so is this consecution true -- "God saith that 8, 242/ 24 thus be this true , "so is this true : "Christ's church saith that 8, 242/ 26 true ; and yet is neither true (since if the thing 8, 243/ 2 true , God, that is the true that God speaketh . . . not true touching the words and true because God saith it true doctrine, and neither deceiveth true , then should it follow true church, and by the true doctrine, too . . . whereby it true miracles were ended either true , as indeed it is true doctrine doth prove the true miracles, and false doctrine true , and the paynims' miracles true doctrine by the reason true doctrine hath been better true . . . and therefore it discerneth true mark and knowledge of true church, since none hath true preachers and God's true true messengers . . . and that thing true and the contrary false true-faithful doctrine and the true knowledge of Christ's very, miracles they proved themselves true preachers and God's that their faith was

he teach now the true members of his "elect 8, 472/ 17
the Scripture teach his true members to perceive that 8, 472/ 22
to prove his saying true , especially taking the promises 8, 473/ 38
For though it were true that without belief of 8, 475/ 10
every article which is true and must be believed 8, 475/ 21
no man hath any true , sure faith but it 8, 477/ 18
the knowledge of his true church, evermore among many 8, 478/ 11
only in his old, true , Catholic church remaining. And 8, 478/ 15
Christ, whether they be true , catholic faith, with all 8, 480/ 1
up to destroy the true or no . . . The Church 8, 480/ 25
knoweth that this is true faith and vary from 8, 481/ 33
And that this is true . . . so knoweth he well 8, 482/ 11
pillage and despoil the true Catholics of his own 8, 482/ 36
therefore if it be true , as indeed it is 8, 483/ 35

and fall from the true faith, that is to 8, 487/ 3
is to say, the true belief, and lose it 8, 487/ 4
with these sins, a true member may lose all 8, 487/ 32
not lost by a true member of the "elect 8, 487/ 35
thereby is once a true member of his "elect 8, 489/ 37

teacheth us that his true members of his "elect 8, 493/ 37
penitents only, and the true members of his "elect 8, 494/ 21
be any of the true repentants -- neither himself 8, 495/ 2

which compared his true member of his "elect 8, 495/ 23
which swerve from the true members of his "elect 8, 496/ 28

person of "Moria," which word in Greek signifieth folly 8, 177/ 5
Against Tyndale's Using This Word "Senior," and "Elder," and 8, 181/ 5
I interpret this Greek word by this word "senior" 8, 181/ 9
Greek word by this word "senior." Of a truth 8, 181/ 9
finding a better English word, he saith that he 8, 181/ 24
he had translated this word presbyteros into this word 8, 181/ 25
word presbyteros into this word "seniors" in English -- 8, 181/ 25
out that. For that word "elder" is, ye wot 8, 181/ 29
out the other. This word presbyter in the Greek 8, 181/ 35
a "senior," by which word it was called sometimes 8, 182/ 6
an "elder," by which word it was never called 8, 182/ 8
English translation change the word of "priest" into "senior 8, 182/ 23
For as for this word "elder," how could I 8, 182/ 26
time presbyteros by this word "elder"; but I say 8, 182/ 34
for that this English word "elder" signifieth no more 8, 183/ 3
priest than this Greek word presbyteros signifieth an elder 8, 183/ 4
in like wise. Which word of Tyndale I would 8, 183/ 7
I find there this word seniores where the Greek 8, 183/ 18
But as for this word "elder," which Tyndale saith 8, 183/ 19
he find that English word "elder" there, but if 8, 183/ 22
instead of presbyteros this word seniores, and natu maiores 8, 183/ 25
as though this Latin word seniores, or natu maiores 8, 183/ 27
maires, were this English word "elder" . . . whereas he saith 8, 183/ 27
but if this English word be in that Latin 8, 183/ 29
meaneth that this Greek word presbyteros is, in the 8, 183/ 34
And so, though this word "elder" be not in 8, 183/ 36
yet since that Latin word is there that signifieth 8, 184/ 1
same thing that this word "elder" signifieth in English 8, 184/ 2
translating presbyteros into this word "elder" . . . but if we 8, 184/ 3
translating presbyteros into this word seniores. First, if I 8, 184/ 5
keep still the Greek word presbyteros, but showeth also 8, 184/ 11
he translated there this word presbyteros into this 8, 184/ 13
word presbyteros unchanged, because that word seniores, and in the 8, 184/ 13
presbyteros unchanged, because that word presbyteros unchanged, because that 8, 184/ 15
conjunction with the Greek word is it that signifieth 8, 184/ 15
than to change that word, and call it compresbyter 8, 184/ 23
Church had no Latin word signifying the office into 8, 184/ 24
worthy that took that word for the Christian priests 8, 184/ 30
thought, seniores; in which word, not continually but among 8, 184/ 32
they take up that word yet the Church never 8, 184/ 34
presbyteros by this English word and call a priest 8, 185/ 1
word "elders" -- a word word "priest" was the proper 8, 185/ 5
and among whom this word well known, and had 8, 185/ 6
was the proper English word , and no laypersons. More 8, 185/ 22
inform them in God's word seniores be there understood 8, 185/ 24
I that if this word seniores was taken in it into this English thing into such a he there found this translate it into this of "priest" -- which without necessity, having this into "back," and every used not "this Greek the interpreter this Latin same by this English allegeth, neither the Greek presbyteri nor the Latin he, then, that English some such other English because they used a assailed with the other people by this Greek and appropers that profane like wise the profane should never use the charge. For since this to put the indifferent of the undoubted good love . . . and then the he that the Greek because he used this such places as this to set some other another example by this never put in this go me to his were in English a it into that English translate it by the bad, than by the not forth one wise For though this Greek bad -- yet this English, rather take this -- rather than this Now, though this Latin word caritas was a -- yet this English that though this English that he hath this chose to use this word "love" than this well have used this and where this holy word seniores was taken in "elder," which signifieth not as in the tongue senatus Londinensis, he should "senate," but either into "elder" in English was "priest" so commonly known into other at his hiericus, or the interpreter sacerdos, but always these "elder," which nothing signifieth presenii nor the Latin "elder" in their stead which signifieth office, rather that had none holy which he hath also ecclesia . . . of which two ecclesias to signify the presbyteros to signify a in one signification nor signified that it meant agape standeth so, sometimes "love" in such places "charity" might not conveniently therewith, as when we, "hope," and saith that "love"? He answereth the "hope," which is indifferent that signifieth none hope that signified none other "love," that is indifferent "charity," that signifieth no . For though this Greek agape signify love indifferently "charity" signifieth no love -- that signifieth "charity," that signifieth no caritas was a word used among the heathen "charity" never signified among "charity" had been English "love" in his translation "love" than this word "charity" in such places "charity" ; and where the "charity" was more proper
