not only no sect agreeeth with other, but almost
all whose faith either agreeeth with the Scripture, or
he say that himself agreeeth with them, and not

men, and never one agreeeth with other; so that
Jews persecuted him, then agreeeth Tyndale by this reason

he saith that they allege for us scripture elder 8, 774/ 27
though they reigned. "We Tyndale saith that they

to say that they allege the Scripture; for in 8, 809/ 26
holy doctors use and also Friar Barnes cannot allege , "elder than any church 8, 812/ 2
is everything that is alleged these words to prove 8, 847/ 14
that were for Scripture that point against us 8, 963/ 1
Catholic Church... yet he alleged unto those heretics the 8, 744/ 25
A little before, Tyndale alleged Saint Augustine in believing 8, 763/ 18

the place that he alleged before; that is to 8, 910/ 14
If Friar Barnes had alleged all this in that 8, 930/ 28
Nor he hath not alleged , as ye see well 8, 983/ 10
the places of Scripture alleged before, as ye may 8, 1019/ 18
and place where Tyndale allegeth them. But then is 8, 593/ 6
holy doctor Saint Augustin allegeth as reverently Saint Cyprian 8, 602/ 17

And then I asked him again of one any favor then I asked him whether Bristol were councils, if he had asked and followed any wise thus: "Whereas we have asked each of you, "Believest the flesh?" we asked you not, after that that one holy man asked another, "Art thou Catholic For if he had asked him these two questions that unto the question true. for Friar Barnes a better example and more meet 8, 878/ 33
that would be the better for it… yet should 8, 882/ 25

matter be of a better mind at the first 8, 922/ 31
whenever it shall be better at any other time 8, 923/ 2
turn it into the better . But when the council 8, 923/ 5

going about some far better thing. And this process 8, 987/ 34
that ye may the better and the more fully 8, 989/ 15
be necessary, for the better perceiving, that we consider 8, 995/ 31

What were he the better else for the receiving 8, 1021/ 24

call a "true" preacher... and 8, 710/ 12
whom he dare not call but holy, as these 8, 713/ 14

The first is that Christ doth there plainly speak 8, 943/ 27
Barnes here saith that Christ spoke there of him 8, 944/ 1
I say that though Christ meant of no more 8, 944/ 2

of those words of Christ , "If thy brother offend 8, 948/ 36

Friar Barnes answer this. Christ did there bid the 8, 951/ 3

We seem to have church , to be sure of church , the "pillar and church believeth... and special, those church calleth those "part of Church and his sects it Church doth. Now, where he church , show else no certainty church at all... but one church to one sort, and church to another, and finally church not only diverse sects church ? Surely the very church church is even whichsoever church myself list to tell church are heretics... even so church of heretics... even so church of heretics and false church ... which thou shalt always church be with the Catholic Church, which he calleth the Church unto the "true scripture Church and the clergy thereof Church is departed (as he Church , and therefore is a Church of heretics: even so Church, which he saith be Church ... which thou shalt always Church , which he saith be Church . And then showeth he church , because they go out church is always that company church , and they that abide church is gone first out church in such wise that church . And therefore, since he Church to the synagogue, and Church that now is hath Church have still the belief Church that now is, but Church that hath been this Church ... and which, as it

For the true Church as Saint John the . For lo, sir, thus church are heretics... even so church of heretics and false . . . . More Lo, good Christian church : that is to say church of heretics. But hath church ?" In which question is church, he telleth us that church that "come from heretics church standing in question, "heretics church must needs stand in church that is to wit church that now is, is church that then was, and church that was, showeth the church of Christ and his church well known, do show Church, that now is, for church of heretics... it must church ; and so this question church, from which Tyndale confesseth church we call the true church, be fallen from the Church is the thing that Church hath from the beginning Church now is fallen from Church, of Christ and his Church, and therein perpetually kept church to lead it into church forever, as himself promised Church list to order... and Church, writeth plainly, thirteen hundred Church and the faith which Church, which himself confesseth to church, of Christ and his church now... but one, whole church from that time to church leadeth us, as I church, they prove now clearly church and then this, that Church hath now the same church to be the very church of Christ. And here church are heretics... even so church of heretics and false church . More I have, in church of Christ, and the church of heretics. For the church of Christ is but

flock of the Catholic Church in the known Catholic church... which known Catholic church acknowledged for the very Tyndale as the Catholic Church unto his known Catholic Church teachers of the Catholic Church laypeople of the same flock of his "unknown" teaching of the Catholic Church also for the Catholic Church say, that the Catholic Church of the whole Catholic Church the authority of the Church that he believed "the Church at the leastwise the Church of, the known Catholic Church, and not an unknown Church that he believed the believed the Catholic, known Church the belief of the Church so flowered in the Church speaketh of... the Catholic Church then were in the Church the Scripture by the Church converted by the Catholic Church wot well, a known Church For of an unknown Church and so were Tyndale's Church doctor of the true Church people of the Catholic Church but that in the Church folk of the Catholic Church that the known Catholic Church virtues in this Catholic Church he praiseth in the Church then were in the Church believe the known Catholic Church acknowledge it for the Church you, that the very Church needs be a known Church, and neither any Church heretics nor any known Church this common known Catholic Church Tyndale saith that the Church for example how the Church and judge whether the Church have you, both the Church

Then or not? Choose now, they be those that " then can ye not. "And on nor you; not the, because they lied to, did mean therein nothing, and their constancy in truly taketh his words... but in such wise against all kinds of shall, as Christ promised than others, as long, which then had continued
the common known Catholic church never lacketh, nor no church of heretics never hath church, of which every true church : so doth he after church for a means by church to make a man church, he shall so surely church is the very church church . And this is the church is plainly by Scripture church ... and that in all church determined or by the church approved. Saint Augustine also church be declared and known church is through the world church of Christ but only church . Saint Augustine also in church is also manifest and church any other than this church of all Christian nations church is the very church church . And if he will church that the known Catholic church is the very church church is the very church church is the very church church doth abuse the saying Church saith true and himself Church . For now cometh he Church , and to prove that Church so told him perceiving Church , in believing the Church Church ... but that was but Church , but by the inward Church for using of true Church , either in knowing which Church , nor without help of Church ... yet he alleged unto Church for therein might the Church which were so good Church by those outward reasons Church ) well perceived and known Church is the very, true church of Christ here in church , and unto none but church , and then bid the church go learn the truth Church . But then flieth he Church unto his "feeling faith
no longer by the Church.
he gave unto the Church as he believed the credence given unto the Church.
Saint Augustine believed the Church perceived well the same to be the true of the whole Catholic teaching of the Catholic members of his true Scripture by the Catholic confesseth himself that the Church to gather his Christian own mouth, give his continued in the Catholic written in the same by God, teaching the the hearts of his often promised unto his world's end. Now, what we doubt not which of the faith. That depend... and none other but by it that to be the very knoweth, spoken of the Corinthian again unto the Church his restitution to the same Spirit to his that the known Catholic only the known Catholic power. For none other feeling faith in any it be in this and then were this were this church the the Gospel for the disdaineth to believe the accused out of the will not hear the the authority of the us to believe his made unto the same therefore in believing the from the whole Catholic yet in the Catholic himself and the Catholic doctrine of the Catholic given unto the Catholic Church. And therein he playeth Church in taking the books Church that the Gospels were Church, Saint Augustine believed the Church in teaching him which Church to be so declared Church, that thereby he believed Church the mother of every Church moveth him nothing at Church, and that therefore of Church, but by their own Church that Saint Augustine spoke Church hath that gift given Church, and teach in his Church a law without book Church, although never word of Church, by the same Spirit Church to interpret and understand Church is the writing that Church; that is to wit Church this is, there needeth Church it is that hath Church that hath the gift Church hath it but by Church, I say, may soon Church. Now, what this teaching Church of Christ that should Church which had abominably misused Church after his great penance Church, to teach it and Church is it that only Church hath in it declared Church of Christ is there Church ... then must it be Church; and then were this Church the church of Tyndale's Church of Tyndale's elects, and Church ... and now, lo, he Church, he is by God's Church. For "whoso," saith our Church, take him for a Church, and all we that Church therein and yet by Church and of which we Church, we put not, I Church to the clergy alone Church he may find them Church vary, we agree... and Church (for of the doctrine Church must needs be weak

Now if Tyndale plainly, without any such doubt remaining therein as is scripture. And likewise doubt of but that he doubt not but if God doubt of the contrary... this doubt it not but he doubt and fear lest the doubt and in a mammering doubt, had, by some proctor doubt, and not understand the doubt to deem the best doubt as well of Saint doubt moved, the whole Church doubt of any man in doubt not but that many doubt therein, I would the doubt but that Luther, Barnes doubt and question which of doubt nothing but that if doubt but that it would doubt thereof... Saint Augustine shall doubt but that with prayers doubt but that they are doubt but that prayer and doubt and question that Saint doubt this questionless and clear

only that follow the faith, of Abraham. For I
children that have Abraham's faith, but if they have

speak so much of " faith, alone" for the selfsame
apostles' time, teaching that faith, alone was enough for
sins," whatsoever they be, " faith, " saith he, "if it
hath need of" our faith, alone. This maketh folk
folk to speak of " faith, alone" and show, by
do now speak of faith, that is feeling, and
anymore of the other faith, alone, that for lack
that I, besides the faith, that feeleth and worketh
cause to speak of " faith, alone," because Tyndale is
he meant faith, alone" he meant faith
he calleth the devil's faith, , hope, and charity... and

And whereas Tyndale calleth faith, alone, the
called faith alone, the faith, of the pope and
devil and me what faith, the pope hath, or
for his own "feeling faith, ," himself here clearly declareth

that for the "feeling faith, " he may do much
secondly is his "feeling" faith worse than the devil's faith 8, 787/ 35
is his faithless "feeling" faith far worse than is faith 8, 788/ 13
this point that Tyndale's faith feeleth in his heart faith 8, 788/ 22

besides... "Now, in good faith," said she, "and in faith 8, 790/ 12

of such a "feeling" faith "... and therefore he conclude th faith 8, 795/ 24
of Master More's faithless faith made by the persuasion faith 8, 795/ 25
only such as attained faith by persuasion of men faith 8, 795/ 34
children of Master M's faith, as faithless as he faith 8, 796/ 1

any piece of the faith for any miracle that faith 8, 797/ 4

too, both with their false , feigned faith of hypocrites 8, 654/ 11

going out of the false church of heretics. For 8, 660/ 32

And therefore Tyndale speaketh false English when he saith 8, 661/ 3

master Martin Luther, as false as he is, could 8, 683/ 18
for favor of their false heresies to change, corrupt 8, 684/ 1
falsify, with erasing and false writing, the true text 8, 684/ 2
and advancing of his false , factious heresies. Of this 8, 684/ 20
Christian readers considering this false , shameless fashion of falsifying 8, 685/ 24
and prove that exposition false , and that by such 8, 686/ 16
shameful sin by the false glossing of the Scripture 8, 690/ 11

very scripture from the false , and the words of 8, 694/ 5
but openly condemned for false . And as for these 8, 695/ 13
have heard, with the false gloss of the Pharisees 8, 697/ 29
that the Pharisees taught false glossing of the Scripture 8, 699/ 22
"wresting" it with false glosses... teaching good works 8, 703/ 11
fathers were like the false glosses... making men believe 8, 704/ 10
as Pharisees did, with false glosses, and corrupted the 8, 704/ 11
saints. They have feigned false books, and put them 8, 706/ 37
true scripture from the false . And since that God 8, 708/ 5

believest it because thou feelest it to be true 8, 802/ 27

that with his own "feeling" all manner abomination 8, 779/ 2

and is therefore a "feeling" that can never 8, 781/ 3

of faith that is , and worketh well, and 8, 784/ 18
by reason of the "feeling" worketh not? Considering also 8, 784/ 20
evasion of his own "feeling" worketh," on which he 8, 785/ 5
see what manner of "feeling" himself feeleth there. But 8, 785/ 7
heart, with his fulsome "feeling" is, that for his "feeling" faith saith that he 8, 785/ 20
Tyndale teacheth such a "feeling" faith as no faith 8, 785/ 24
spring out of the "feeling" of that false faith 8, 786/ 2
have come into the "feeling" only, to serve 8, 786/ 8
that he teacheth his "feeling" faith" is yet far 8, 787/ 20
I say that Tyndale's "feeling" faith," himself here clearly 8, 787/ 27
as for his own "feeling" faith" he may do 8, 787/ 31
affirming that for the "feeling" faith worse than the 8, 787/ 35
And secondly is his "feeling" faith far worse than 8, 788/ 13
yet is his faithless "feeling" faith"... he hath, pardie 8, 790/ 20
elects and had the "feeling" faith" besides... and that 8, 795/ 2
they either had the "feeling" faith" if none other 8, 795/ 13
lack of such a "feeling" faith"... and therefore he 8, 795/ 24
children of Tyndale's own "feeling" faith". And therefore every 8, 796/ 2
For without the very "feeling" faith," no repentance can 8, 797/ 12
he might get his "feeling" faith... what counsel would 8, 798/ 4
come to the very "feeling" belief... the poor man 8, 798/ 16
elects and have his "feeling" faith," such plain, evident 8, 801/ 17
the proof of their "feeling" faith" that no man 8, 801/ 18
Church, but by his "feeling" faith," Now is it 8, 802/ 5
that high point of "feeling" faith by which he 8, 803/ 26
feeleth also, by like "feeling" faith, that good works 8, 804/ 29
rewarded in heaven; and "feeling" also, by the same 8, 804/ 30
by the same false "feeling" faith, that in the 8, 804/ 31
he had not the "feeling" faith written by the 8, 805/ 10
these articles of his "feeling" faith" that good Christian 8, 806/ 2
goeth first and the "feeling" faith" cometh after. Therefore 8, 810/ 6

faith by his only "feeling" ... may not the Turks 8, 812/ 18
himself sure with his "feeling" faith" against all reclamation 8, 816/ 21
But yet, if the "feeling" of all good men 8, 817/ 4

Thomas More Studies 12.2 (2017)
I say, command all known, then be these this. This do these to say, if these a known church of church of a few and subjection unto faithless truth, and many good-faithful there were many good-faithful what cause have these be denied by these we must ask these understanding of those holy or ravenous. With such for all the bad received into? If these shall they be known church of only good heresy, but also true-faithful them all do these almsgood of good Christian are meritorious, and that meant. Also, that these for his creeping through also that through good crossing but wagging of the devil fleeth from this life that other make, and these blasphemous have so many merry and thereupon that these reproof of some false that these his false besides all their other have confuted the contrary Whereupon it must needs and therein men might did not love to upon Tyndale’s confession needs that many men shall succession in their office should in a manner have no love to people love not to diverse good fruit should Wherein whoso list to yet whereupon it must all folk agree to heretics... it must needs the rabble of them fol...

then must it needs follow that all the sects 8, 662/ 29

the other, if they follow not these heretics in 8, 699/ 4
she was indeed, to do hear him, and follow the counsel of Judas 8, 699/ 34
then must it needs follow him. For every one 8, 715/ 18
of his feet and follow; yea, though he go 8, 718/ 1
others: it must needs follow the very steps of 8, 725/ 29
elect, other lewd elects but always would it follow, pardie, that Tyndale and 8, 723/ 15
should of good reason follow, and believe alike. And 8, 744/ 5
out. For who can follow him thither to make 8, 746/ 7
of the flesh and follow, of the flesh and follow the motions of the 8, 755/ 9
will, far more easily follow the Spirit and resist 8, 755/ 31
flesh, and much more follow the Spirit, and keep 8, 756/ 3
our bounden duty to follow … not the flesh, whom 8, 756/ 8
whose affections if we follow, we shall die… but 8, 756/ 10
even by and by, if we list to follow the words that Tyndale 8, 756/ 26
if we list to follow , leadeth us forth also 8, 757/ 7
list no longer to follow the Spirit, but fall 8, 757/ 27
opinion? Must it needs follow that their faith was 8, 759/ 32
then must it needs follow thereon that neither Luther 8, 762/ 29

then must it thereupon follow that yet the true 8, 772/ 32
these wise words that follow …Tyndale How This Word 8, 773/ 11

but they only that follow the faith of Abraham 8, 783/ 19
we make (if we follow him) the world swarm 8, 791/ 2

this must it clearly follow by Tyndale’s tale, maugre 8, 824/ 20
it must thereof needs follow that all Christian people 8, 827/ 20

the good that may follow if it be known 8, 891/ 31

consider thereby what would follow or not 8, 938/ 35
would follow or not follow thereof if it were 8, 938/ 36
then, my purpose would follow … and Friar Barnes’ purpose 8, 939/ 25
called thereto… would fain follow the counsel of Christ 8, 949/ 14
not in well working follow it, but will without 8, 971/ 35
of Christ “do not follow any stranger, but do 8, 981/ 1

therefore it must needs follow that the church must 8, 1002/ 13
church, it must needs and his church, but because these heretics now follies that would have thralldom... that it therefore he had asked and have at his calling and they that after be the teachers... it all the temporality foolishly upon these things it but by heresy... it word of man it thereupon it very well we say that thereupon Tyndale said true. Yet Latin translation, which he in other places he fell away? Whereupon it the men. And yet then that it plainly feeling faith infounded... then other faith sufficient: it Antichrist, also. And yet very church it clearly the Catholic Church... yet Friar Barnes here fondly way to heaven, but way to heaven, but be known; whereof it temporal sword. For it churches known... then it way to heaven, but not the same, it we be dead. It we farther that it be his church: it churches but one, it are holy, and then every man. Whereupon it the show. Whereupon it second part not only in his other chapters in the next words took harm in the for their wiliness in Tyndale meaneth by his so far from the in their reason any as it did in follow that the very church followed and went with them followed the false sect of followed thereof. As for the followed that all came thither followed any wise man's counsel followed him so far, as followed them therein, would have followed that they be, and followed their construction... and so followed that we prove well followed not that in like followed, saith His Grace, that followed that God never will followed it, though Tyndale and followed it at the last followed in those words... and followed , and in this purposely followed that there faileth and followed it nothing the rather followed upon his tale that followed it, I say, that followed that every man which followed it farther upon Tyndale's followed , I say, by him followed it, for all that followed and enforceth himself to followed Christ only... in suffering followed Christ only... in suffering followed again, against Friar Barnes followed , "If he hear not followed that Christ's whole church followed Christ only... in suffering followed not therefore that they followed also that since we followed also thereupon that of followed of necessity not only followed , I say, farther, that followed it that the whole followed , I say, that either followed that the church of followed , but also confirmeth, ye followed, he pretendeth to answer followed, he declareth that he followed: such as were evil followed the wiliness of the followed of the "wily fox followed of their living while followed of the steps of followed him in the coming
of the flesh, and following the Spirit, not only 8, 756/ 15

by his own words following , that as gay a 8, 858/ 35

controlemnt the selfsame wily folly in Richard Webbe. This 8, 813/ 11

net of his own folly , that he could never 8, 864/ 4

readers, that against this folly standeth still the first 8, 1014/ 7
is all the wily folly of these heretics avoided 8, 1016/ 2
and the most froward folly , that any frantic heretic 8, 1030/ 5

as Tyndale and his folly fellows be, against so 8, 586/ 14
unreasonable and much more folly and foolish than the 8, 587/ 20
juggling to be so folly a point that all 8, 688/ 11
he made before, as folly he as they were both 8, 718/ 23
if Tyndale and his folly fellows will in the 8, 811/ 15
Tyndale were in such folly scoffing peerless, yet doth 8, 831/ 12

same time been a folly , frantic friar, and that 8, 925/ 11
Cate; and that this folly , frantic friar had wedded 8, 925/ 13
then is his own folly imagination quailed by which 8, 978/ 28
here, that Friar Barnes' folly invention is failed. By 8, 979/ 12
Christian readers, letting those folly fellows alone, and leaving 8, 995/ 5
mad to break your folly , feeble brains about it 8, 1004/ 6
this conclusion with some folly shift, and say that 8, 1013/ 18

well perceive that he goeth not about to find 8, 576 / 3
the spirituality; and then goeth he yet much further 8, 578 / 19
her wife? Then goeth he from good livers 8, 582 / 21
But yet when he goeth farther, and saith that 8, 600 / 17
to my Second Book, goeth from the first chapter 8, 603 / 23
you see how Tyndale goeth forth and declareth his 8, 609 / 6
And therefore when he goeth now further and resembleth 8, 613 / 29
own. For lo, thus goeth he forth... Tyndale ... and 8, 634 / 19
the ox as he goeth in the flour and 8, 636 / 16
thereon. Now, since he goeth he further, after the 8, 647 / 33
where he saith he goeth again upon that matter 8, 650 / 7
goeth from us to "the 8, 652 / 10
though every man that  
goeth  from the faith, out  
8, 660/ 34
wise every man that  
goeth  out of "the church  
8, 660/ 37
the church of heretics"  
goeth  into the true church  
8, 660/ 37
this new heretic, Hutchins,  
goeth  contrary way, beginning at  
8, 662/ 3
we live naught nor  
goeth  not into any of  
8, 666/ 25
the Scripture"? But now  
goeth  he forth and saith  
8, 685/ 28
for them. But now  
goeth  Tyndale well-favoredly forth with  
8, 690/ 16
the Church. Now what  
goeth  this answer to the  
8, 708/ 19
born. Then forth he  
goeth  on further in his  
8, 710/ 30
his heresies false. Yet  
goeth  he further against the  
8, 712/ 1
out his prey... then  
goeth  he forth goodly with  
8, 724/ 33
of heretics. But then  
goeth  he forth with his  
8, 725/ 8
then how far he  
goeth  further now than ever  
8, 729/ 6
escape so. Lo, thus  
goeth  he forth therewith... Tyndale  
8, 742/ 1
in the beginning, and  
goeth  forth with us all  
8, 747/ 2
power and spirit then  
goeth  he far wrong, and  
8, 760/ 35
not read it... he  
goeth  forth with his collation  
8, 775/ 25
his sermon of his  
goeth  far from our present  
8, 776/ 15
And now, where he  
goeth  forth holily and preacheth  
8, 788/ 27
after that patch, Tyndale  
goeth  forth in great haste  
8, 791/ 32
for that vice which  
goeth  next it that is  
8, 793/ 15
disciple the question that  
goeth  next to the purpose  
8, 802/ 16
that the "historical faith"  
goeth  first and the "feeling

goeth  not once out a

For lo, now thus  
goeth  he forward and findeth

goeth  fair and smooth by  
8, 876/ 8

goeth  over the goose's back  
8, 876/ 9
of him (since himself  
goeth  away) how she might

world none holy that  
goeth  to any other church

8, 942/ 26
that albeit he saw  
goeth  when he putteth you  
8, 950/ 18

goeth  about to blear the  
8, 950/ 25
gold  most cunning workman, and  
goeth  is damnable error in  
8, 950/ 28
of sin. And then  
goeth  about to make the  
8, 959/ 9
most cunning workman, and  
goeth  about this thing, and  
8, 960/ 35
their instant prayer he  
goeth  about it; and he  
8, 961/ 2
And then Friar Barnes  
goeth  about it well, and  
8, 961/ 2
church, as Friar Barnes  
goeth  Saint Augustine further and  
8, 965/ 6
that each of them  
goeth  about the cleansing of  
8, 970/ 36
or wrinkle, there. He  
goeth  still about it here  
8, 972/ 5
Great is he that  
goeth  forth with his own  
8, 980/ 21
about it; and he  
goeth  about to make it  
8, 992/ 6
of sin. And then  
goeth  forward... the farther ever

goeth  from her. And they  
8, 994/ 33
their instant prayer he  
goeth  about a contrary way  
8, 1002/ 35
And then Friar Barnes  
goeth  about to prove it  
8, 1005/ 12
church, as Friar Barnes  
goeth  that he found and  
8, 779/ 17
that each of them  
goeth  still about it here  
8, 972/ 5
ever each of them  
goeth  forth with his own  
8, 980/ 21
and each of them  
goeth  about to make it  
8, 992/ 6
nor so much as  
goeth  forward... the farther ever  
8, 994/ 33
cold conceit of my  
goeth  from her. And they  
8, 994/ 33
that albeit he saw  
goeth  about a contrary way  
8, 1002/ 35
one poor piece of  
goeth  about to prove it

Against those with them against these had any sect of and against all the for the Church against his reason than the reason, then might the said against such other Augustine's reason made against only the sects of say it; whereas these an old prank of this falsifying have these books use always these at any time but well as in other plainly preach against these so many sects of shalt find them all and such other holy wit, such sects of And therefore if these they follow not these shall find them all them, be plain, undoubted of a company of heretics, yet evermore those yet see that these naught. And thus evermore of such false, frantic hath, against which these Tyndale and these other it between these elect and specially chosen that time I trust and such other excellent plainly, against such high-eagle some bawdy church of all the rabble of against paynims, Jews, and those he calleth the and took always for shall, spite of all this flock of these only conclueth for his any greater persecution by Germany, by the Lutheran Saint Augustine writeth against may well see that lechery, as these beastly - heretics, I say, and with heretics, too, did that holy heretics any continuance yet), but heretics that ever have been heretics than for the Jews heretics had to say to heretics well have mocked Saint heretics. For Tyndale cannot say heretics to prove the Catholic heretics departing out of the heretics refuse and reject divers heretics to use that fashion heretics also given us good heretics, and none at any heretics. Thus do they falsify heretics, of old time be heretics, and as surely describeth heretics … that ever had the heretics, and the scribes and heretics, unto Saint John and heretics as go out thereof heretics will now be resembled heretics in condemning the one heretics, and the scribes and heretics.
